Have you travelled on a train? Read and enjoy this poem.

Trains

Over the mountains,
Over the plains,
Over the rivers,
Here come the trains.

Carrying passengers,
Carrying mail,
Bringing their precious loads
In without fail.

Thousands of freight cars
All rushing on
Through day and darkness,
Through dusk and dawn.

Over the mountains,
Over the plains,
Over the rivers,
Here come the trains.

James S. Tippet

SUGGESTIONS FOR CLASSROOM TEACHING

- Read the poem aloud with appropriate expressions. Explain the difficult words in the text like *freight cars*, *precious*, *plains*, *dusk*, *dawn* etc.
- Give information about different land forms like mountains, plains, valleys etc. Talk about places where trains can run and where they cannot (e.g. high mountains). You can discuss different modes of transport on land. You can also talk about the different kinds of roads around your town or village and the local modes of transport used here e.g. bullock carts, camels, cycles, buses, scooters etc.
- Cut out some sheets of paper in squares for the paper folding activity and give one piece to each child. You may even use old newspapers for making an aeroplane. Do allow the children to enjoy the activity by flying them in the class/ground for one period. However, make sure that the children pick up all the bits of paper once the activity is over.
- Emphasise the importance of cleanliness of one's surroundings. Dustbins should be kept in the classroom and in a corner of the school playground for all waste paper, fruit peels, wrappers etc.
- Help the children to enact *The Race*.
- The class can also be made to enact a scene from a railway station (have characters like porters, vendors, passengers, etc.).
- Let children enjoy moving to a beat and playing instruments in rhythm. They can sing to the accompaniment of rhythmic sounds made with their hands, feet, mouth, etc. with other parts of their bodies.
