

Time Goes On.....

0325CH0

Ulta Pulta Time — This is a story with topsy turvy time.

ona rana n	This is a story with ropsy rully time.
AMADON AND AND AND AND AND AND AND AND AND AN	As the sun sets Sumana wakes
	up. What a lovely evening!
1000	She washes her face fast in 2 hours
	and runs out. She goes straight
276	to the bird's nest. She has been watching the
0	eggs for the last few months
The second second	She was waiting for the baby birds to come
Jan 16	out. But before she can blink her eyes, in a
A ED A	weeka cat jumps on to the tree.
1776	The mother bird cries loudly and Sumana rushes
	to shoo away the cat. As the cat jumps, it hits
	the big green mango. Dhum!
	Dhum!
	D _{ka}
In two days	it is on the ground! Oh, how sad! The mango is

... In two days ______ it is on the ground! Oh, how sad! The mango is still not fully ripe. It needed one more year _____ to become sweet. Suddenly Sumana's sister calls out — Are you still not hungry? Has your stomach clock gone to sleep? Come and eat hot upma for dinner _____.

Wasn't that funny? You must have guessed that the coloured words are wrong. Choose the correct word from the box given below and write it next to the wrong word.

days	rises	seconds	morning
breakfast	moment	minutes	week

How Long does it Take?

Have you seen someone knitting a sweater? Or someone weaving a cloth? Do try to find out from a potter how long it takes to make a pot. Also tell us if you take hours or minutes to have your bath! (Is it years since you last had a bath? Ha, ha!)

Think of many different things that can take different times. Make your table as long as you can.

Takes minutes	Takes hours	Takes days
a bath	to stitch a shirt	to knit a sweater
to boil milk	to set curd	to weave a sari
	a school day	for a banana to become ripe

Think of some other things, some faster and some slower. Make a long list.

Takes seconds

to blink my eyes to snap my fingers to gulp my medicine

for fruit to fall from a tree

Takes months

to grow wheat (from seed to big plant)

to change from summer to winter

for a baby to come out of its mother's stomach

Clap! Clap! — Before you Catch Play this game

Throw a stone into the air. Clap once before you catch it.

Now try to clap 2 times before the catch.

Try more claps. How many times can you clap before you catch the stone?

Ta Thai — Different Claps

Clap 2 times and say 1 2

Keep clapping 1 2, 1 2, 1 2,

or say Ta Thai, Ta Thai, Ta Thai,

Also stamp your feet Left Right, Left Right, Left Right,.....

Now clap with three beats 1 2 3, 1 2 3, 1 2 3,

Say: Ta Thai Tut, Ta Thai Tut, Ta Thai Tut,

Can you stamp your feet Left Right Left, Left Right Left,

How many of you can speak and stamp at the same time?

Find Out

Have you heard people playing a *tabla* or the drums? Find out a few different beats they play. Also ask what 'bols' they say for the beats they play.

......

Birth Certificate

Look at the birth certificate of Bincy.

Form Number 5

Government of Kerala

Birth Certificate

This is to certify that this information is taken from the original record of birth which is in the of Kottayam Panchayat. 2002 register for the year

Name

Biney Thomas Jacob Female

Sex

Date of birth:

02/05/2002

(Second May, Two Thousand

Place of birth:

Kadampuzha Hospital

Name of Father:

Jacob Tharakan

Name of Mother:

Lara Thomas

Date of Registration:

02/05/2002

Registration Number

815/02

Date 05.08.2002

Signature of issuing authority

- (1) 2/5/2002 shows that Bincy was born on 2 _____ in the year 2002.
- (2) How old will Bincy be on 2 May 2008? _____
- (3) How old will she be in the year 2052? _____
- (4) On what date will she be eight years old? Write in numbers.

(7) After how many months of her birth was the certificate issued? _____

(8) What is the registration number of her certificate?_____

Find Out

When were you born? _____

Write your date of birth in numbers.

Do you have a birth certificate? Ask your parents and make one for yourself.

Calendar

Let us look at the calendar for the year 2020.

- * How many months does a year have? _____
- * List the months which have 30 days._____
- * List the months which have 31 days._____
- * How many days are there in the month of February this year?
- * How many days makes a week? _____
- * How many weeks are there in July? ______ Is it true for all the months? _____
- * In which month did you come to Class III?
- * Make a circle on these dates in the calendar: 26th January 14th November
 - 31st December.

Is there something special about these dates?

Fill in the blanks with the correct year:

2017 2020 2019 2018 2021 2023

- 1. Which year was it two years back? _____
- 2. In which year were you in Class II? _____
- 3. Which year will be the next year? _____
- 4. Which year will come after 3 years? _____

This chapter encourages children to look at different cultural contexts in which the idea of elapsed time occurs in their lives. It is more important for them to be able to develop an intuitive estimate of seconds, minutes, months etc. than to actually measure. The chapter also helps them to understand the use of a clock and calendar through interesting exercises. Teachers could create more such exercises related to number patterns and symmetries.

Which Festival comes First?

Given below are some festivals we celebrate during the year. Look at the calendar (2020) to find the days on which these fall.

N			
	Name of the festival	Date	Day
	Diwali	November 14	
30	Pongal	January 15	
	Raksha Bandhan	August 3	
823	Gandhi Jayanti	October 2	
	Milad-Ul-Nabi	October 30	
300	Onam	August 31	
500	Guru Nanak's Birthday	November 30	
	Guru Ravidas's Birthday	February 9	
The same of the sa	Christmas Day	December 25	
Sh	Bihu	April 14	

* Arrange the festivals in the order in which they come in the year.

1

7.

8.

9. ____

10. _____

Which festival comes at the end of the year?

Calendar Magic

Here is the calendar for the month of February 2019.

Let us mark a square on the calendar and see some magic.

February 2019

5	M	Т	W	Т	F	5
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28		

Which is the number in the centre of the square? _____

Join three numbers by drawing a line. The line must pass through the number at the centre.

5	6	7
12	- 13	-14-
19	20	21

How many such lines can you draw?

Add the three numbers on each of these lines.

What do you notice?

$$5 + 13 + 21 =$$
 $6 + 13 + 20 =$
 $19 + 13 + 7 =$

- * Now look at the calendar of 2020. Also look for the present month and draw any similar square in your notebook. Does the magic work for these?
- * Is this magic possible on a 10 × 10 number chart? Go to the chapter 'Fun with Numbers' and check.

More Magic!

March 2020

5	M	T	W	T	F	S
1	2	3	4	5	6	7
8	9	10	11	12	13	14
15	16	17	18	19	20	21
22	23	24	25	26	27	28
29	30	31				

See if this magic works for other lines which have five numbers. What about five numbers on a slanting line? Try this trick with your family and friends.

Can you find other magic patterns in the calendar?

Complete the Calendar

for August 2020

Colour all the Sundays in red.

On	which	dav	does	this	month	end?	<u> </u>
----	-------	-----	------	------	-------	------	----------

Write the number of days in this month.

What day is it on 13th August?

What is the date on the second Saturday? _____

Is the 21st a Sunday?

What is the day on the 29th? What will be the date on the same day next week? _____

How many Thursdays are there in this month? _____

Find Out!

Which months in the calendar (2020) have 5 Sundays?

Is there any other day in any month which comes 5 times?

Can there be 6 Sundays in a month? Why?

Ask such questions for the current month and also other months. Encourage students to discover more patterns through a calendar.

The True Story of Pedki Devi

My Time Line

My name is Pedki Devi. I live in a village in Dhanbad district (Jharkhand). I never got a chance to go to school. I remember that when I was 5 years old I broke my foot. I had climbed a tree to eat the jamun fruit. But the branch broke and I fell down. My foot still hurts in winter.

While grazing our goats we often got busy in playing. Once at the age of 10 years I got a big scolding — I had lost one goat! At the age of 15 years I was married. My husband was much older than me. My first daughter was born three years after my marriage. Later I had three more children when I was 20, 22 and 24 years old.

Time passed very fast then. I was busy with my farm, housework and looking after my animals. But at the age of 35 years my world came to a stop. My husband fell ill and died. His brothers tried to take away our farm. They beat me badly and said I was a witch! Some good people saved me. We fought a case against those who beat me up. At the age of 40 years I saw a police station for the first time. When I was 45 I learnt to read and write. 2 years later I got my eldest daughter married. Now I am 50 years old. I enjoy playing with my grandchild. Two of my children are studying in school.

Some things that happened in her life are given below. Mark these on her time line. For example, when she was 5 years old Pedki broke her foot. A is marked at 5 on the time line.

- A. Broke her foot
- B. Lost one goat
- C. Got married
- D. Had her fourth child
- E. First saw a police station
- F. Learnt to read and write
- G. Eldest daughter got married

- * Mark on the time line when she was born.
- * In the blank box draw a picture of Pedki as a new born baby.
- * Make your own time line. Ask people around you and mark at least one thing that happened in each year of your life.

* Make time lines of people you admire. These can be from among your family, friends, teachers, etc.

One Day in the Life of Kusum

Let's see what Kusum does every day.

Write down the time for each picture.

For some pictures the time is already written and you must draw the hands on the clock. In others you have to write the time shown by the clock.

Kusum gets up early in the morning.

She brings water from the well.

At six -thirty in the morning

She cleans her house.

At eight o'clock

She goes to school.

She is studying in school.

She comes back from school.

1 o'clock in the afternoon

She takes lunch with her brother and grandmother.

She plays with her friends.

Five-thirty in the evening

She listens to a story from her grandmother before she sleeps.

9 o'clock at night

N	ow prepare a chart showing your own daily routine.
	Time of the day
	In words On the clock What do you do at this time?
	9 0 3 - 4 5 5 4 5 5 5 6 5 6 5 6 5 6 5 6 5 6 5 6
